

ClassicStyle Quilt²⁰²⁷

All features at a glance!

A perfect combination of exciting quilting features and attractive design.

The Pfaff ClassicStyle Quilt²⁰²⁷ has much to offer!

For example, there is an amazing selection of stitches to choose from to give each piece a personal touch. Stitches include unique antique quilt stitches, many utility stitches and fabulous decorative stitches. Stitches can also be mirrored for endless variations.

The ClassicStyle Quilt²⁰²⁷ is very easy to use. One example is the inte-

grated needle threader. Just lay the thread in place and start sewing. There is also a wide selection of needle positions. Perfect for precise topstitching, without having to move the fabric

All this and more awaits you! Take advantage of the many special quilting features and discover the many creative possibilities of the ClassicStyle Quilt²⁰²⁷ at your Pfaff dealer.

- **Only from Pfaff:** German engineering and innovative design!
- **Only from Pfaff: The IDT (Integrated Dual Feed)** – absolutely even fabric feed from both the top and bottom. Fine fabrics, several layers – absolutely no slipping! It's wonderful for quilting because piecing and quilt blocks match exactly. Only Pfaff has the IDT built into the machine.
- **Extra value!** With the purchase of a ClassicStyle Quilt²⁰²⁷ comes 2 extra presserfeet that are a must have for any quilter: Free-motion/Darning Foot and $\frac{1}{4}$ " Quilting Foot!
- **42 stitches** have been specifically chosen to meet the most common sewing needs. They can easily be selected with the Direct Selection buttons.
- **Free-motion sewing position!** Use the special free-motion sewing position for the presser foot to get the highest clearance for your free-motion quilting and stippling. It makes free-motion quilting so easy!
- **Extra high presser foot clearance** makes room for thick quilts, heavy fabrics or several layers of fabric!
- **The "Needle up/down" function!**
By gently tapping the foot control, the needle remains in the down position for easy pivoting in any thickness of fabric.
- **Many needle positions!** For precise topstitching, without having to move the fabric.
- **Constant needle piercing power** even when sewing slowly, with thick fabrics or through several layers of fabric.
- **The optimal settings** for length and width are already set for each stitch. Settings can be adjusted if needed.
- **"Pattern Mirroring" function!** Mirror patterns horizontally for more stitch variety.
- **Permanent reverse** at the touch of a button! When sewing in reverse, your hands are free to guide your fabric.
- **Integrated needle threader!** No more searching for the needle's eye. Let the needle threader do the work and start sewing!
- **Only from Pfaff! The ergonomic work surface!** With lots of room for quilting and an optimal view of your quilt projects.
- **Only from Pfaff: Precise buttonholes** – thanks to the sensational Sensormatic Buttonhole! Sew perfect buttonholes on every fabric and repeat them as often as needed.
- **Extra-slim free arm** for working on tubular items such as cuffs, trouser legs, necklines and more.
- **Easily accessible thread cutter** – on the side of your ClassicStyle Quilt²⁰²⁷.
- **Bobbin winding through the needle** is so easy! No need to rethread. Winding stops as soon as the bobbin is full.
- **Sew on buttons** easily with the special button sewing function!
- **Large accessory tray** in the swing-out compartment! The most common accessories are included with the machine: Standard Presser Foot, Fancy Stitch Foot, Blindhem Foot, Zipper Foot, Edge Guide, Buttonhole Foot, bobbins, etc. Individual compartments keep everything handy.
- **Carrying case!** To protect your ClassicStyle Quilt²⁰²⁷ when not in use.
