## 2 Sewing

Place the circulars as illustrated in the layout diagram. Remove the paper of the back and iron them in place.

Attach the Open toe appliqué foot. Thread your sewing machine with white sewing thread on the top and white cotton thread in the bobbin. Select straight stitch, length 3.0. Sew around the circles edges with the seam. Change the thread color to match the circles. Stitch around each of the circle.

Mark out the decorative stitches on the pink and the green stripes. Draw 5 lines 1 cm (3/8") from each other with a marking pen, measure 9 cm (3.5") and draw the next 5 lines. Continue around the side pieces. Thread your sewing machine with black embroidery thread on the top and black cotton thread in bobbin. Use 2 or 3 different decorative stitches from your Select machine. Sew the decorative stitches in place, use stabilizer underneath.

### Zipper Foot Sewing:

1. Attach the invisible zipper foot.
2. Use the marking pen to mark the length of the zipper on the lime green and pink fabric. The zipper should be at least 2 cm to 3 cm (3/4" to 1 1/4") longer than the opening.
3. Attach the Invisible Zipper Foot and select a straight stitch, middle needle position and set the stitch length to 2.5 mm.
4. Open the zipper and flatten the coil slightly with your thumb, so that the seam line between the tape and the coil becomes visible. Never iron the zipper.
5. Place the right half of the zipper onto the right side of the opening, with right sides of the zipper and fabric together. The coil should lie directly on the seam line, starting about 1.5 to 2 cm (5/8" to 3/4") below the upper edge of the fabric. Pin in place. Make sure

that the bottom end of the zipper extends 2 cm to 3 cm ( $\frac{3}{4}$ " to  $1\frac{1}{4}$ " ) beyond the bottom end of the opening.

- Carefully press with your finger the teeth slightly to the right and lower the zipper foot, so that the coil lies in the groove to the right of the needle.
- Sew the zipper in place and then the rest of the seam.
- Sew the zipper in place and then the rest of the seam.

### 3 Finishing

Thread your sewing machine with green sewing thread on top and bobbin. Select straight stitch, length 3.0. Sew the green strips together on the two short sides to form a circle. Pin the green strips around the green circles and sew in place on both sides. Leave the invisible zipper open to turn right side out. Repeat this process for the pink pillow.

Fill the pillows with batting.
